Bertoni1949 was founded by Riccardo Bertoni in 1949 in Italy. The luxury brand's focus was on supplying fine leather products for other luxury companies such as brands Ralph Lauren, Prada and Fend. Beginning last year, Bertoni1949 started offering its own collection using the name Bertoni.

Bertoni1949 is a leader in hard luggage and leather goods and announced their Fall Winter 2015-2016 Women's Collection. All leather products from Bertoni1949 are proudly made in Italy.

Steep in tradition and high quality craftsmanship, Bertoni1949 has become the eponymous of luxurious handbags and luggage. Bertoni1949 caters its leather products to those who desire beauty and high quality, plus showing off the finest raw materials available today.

The new Fall Winter 2015-2016 Women's Collection by Bertoni1949 simply displays Italian excellence at its very best. Excellent manufacturing techniques are evident in every piece of the collection.

Owner Alberto Bertoni was quoted, "Craftsmanship is a value, beauty is the result of passion that makes every piece unique. The identity of workmanship is expressed by the refining of its execution and our taste, reflection of our competences. The attention given to the selection of materials and the care in shaping, create a product dedicated to all those who love and share our pattern of quality, uniqueness, and elegance."

The Fall Winter 2015-2016 Women's Collection consists of a variety of gorgeous handbags and luggage that defines the word – luxury. A preview of the collection from Bertoni1949 includes:

The DORIANA is made using burgundy studded alligator and comes with a top handle med of French calf. There's a removable shoulder strap decorated with palladium personalized hardware.

Made from wood leather outside and lamb skin inside, is the stunning MINI DORIANA The handbag also features a removable shoulder strap that's adorned by palladium personalized hardware.

The BERTONCINA is a classic looking lady bag that resembles a mini hat box. It's available in French leather and has a stylish, removable chain shoulder strap.

The DARCY zip tote comes in degradè zebra hair, and includes a removable shoulder strap.

The diminutive PLUTO TOTE is made from French calf and has side stapes on tone.

Lastly, the trendy art python CROSS BODY BAG body bag features a shoulder chain strap.
